To Whom It May Concern,

Please take this letter as confirmation that MFS BV officially supports "confirms INDUSTRIAL SERVICES & EQUIPMENT SAS" (ISESAS) with Nit No. 900795960-1, located at Calle 147 #17-78 Edificio Soko Oficina 406, Bogotá, Colombia, as its authorized agent in the country.

ISESAS is authorized to promote MFS products and services for gas turbine market, including oil & gas installations and power generation plants.

MFS BV supplies an array of gas turbine components and auxiliaries. Plus the services and systems to install, relocate, control, monitor, maintain and repair them.

In short, we are everything a GE plant will ever need.

- OEM materials
- PMA products, only if agreed/requested by the customer
- VCA** / SCC** certified
- ISO 9001 certified
- Highly experienced, in-house engineering teams
- Highly experienced and skilled Field Service Engineers
- 24/7/365 technical support

MFS BV provides an exceptional level of expertise and engineering support. So instead of simply replacing products, we help you resolve problems and optimize performance. With MFS BV, you finally have what you need to excel in today's challenging industry - a genuine engineered solutions provider.

MFS BV was formed in 2001 from four previously GE employees. As a single and independent organization, MFS BV is dedicated and capable to give you the best price, cost reduction possibilities and advice.

This appointment shall be effective from the date of February 28, 2020 for a period of one (1) year and must be renewed in writing before expiration.

Please do not hesitate to contact me personally if you require any clarification.

With kind Regards,

A.J. Peelen
